4. Submit. **IMPORTANT** – when you click submit, it will give you an application ID. It will also send an "application received" email to the email address you provided on the application, but you'll want to write the ID down in case you don't receive the email. You will need the application ID to monitor the status of your application.

#### NOTES:

- You will pay for your visa upon arrival in Entebbe. The current cost is \$100.00 and is not included in your trip fee. There is talk of this fee being reduced to \$50.00, but for now, plan on \$100.00
- We recommend an App for Passport photos: consider downloading a free app called 2X2pix, which will allow you to take a photo that complies with the eVisa photo requirements. You can then email the photo to yourself for upload during the registration process.
